Lyrics:

I re - fuse to a-buse what is kind to the Muse, but it's
I re - fuse to a-buse what is kind to the Muse, but it's
as we go through the snow, we can-not
there and it's happe-ning to me a-long the way. as we go through the snow, we can-not
there and it's happe-ning to me a-long the way. as we go through the snow, we can-not
forget our foes, but the dinner's always waiting at the ta - ble 'long the way, yeah.
forget our foes, but the dinner's always waiting at the ta - ble 'long the way, yeah.
forget our foes, but the dinner's always waiting at the ta - ble 'long the way, yeah.
forget our foes, but the dinner's always waiting at the ta - ble 'long the way, yeah.
What you see, not for me, is-n't
What you see, not for me, is-n't
What you see, not for me, is-n't
What you see, not for me, is-n't

Instrumentation: Klaviersolo

14 what you planned to be, but you'll have what you wan-ted in the end
 what you planned to be, but you'll have what you wan-ted in the end
 what you planned to be, but you'll have what you wan-ted in the end

16 a-long the way. and we'll try as we cry and our bro-thers pass us by, to be
 a-long the way. and we'll try as we cry and our bro-thers pass us by, to be
 a-long the way. and we'll try as we cry and our bro-thers pass us by, to be

19 strong through the a-ges of our tears a-long the way, yeah.
 strong through the a-ges of our tears a-long the way, yeah.
 strong through the a-ges of our tears a-long the way, yeah.

23 Now we grow as we show that the mo - rals we must know will be
 Now we grow as we show that the mo - rals we must know will be
 Now we grow as we show that the mo - rals we must know will be

27 shapen and mistaken by the falls a-long the way. but for-get, don't regret, to find
 shapen and mista-ken by the falls a-long the way. but for-get, don't regret, to find love
 shapen and mistaken by the falls a-long the way. but for-get, don't regret, to find love

shapen and mistaken by the falls a-long the way. but for-get, don't regret, to find love
 love and hap - pi-ness un-less you're wil-ling to be strong when they are

30 and hap - pi-ness un-less you're wil-ling to be strong when they are
 and hap-pi-ness un-less you're wil-ling to be strong when they are

and hap-pi-ness un-less you're wil-ling to be strong when they are
 gone a - long the way. ah_____

32 gone a - long the way. ah_____

gone a - long the way. like Tom - my, you are free, and you will

gone a - long the way. ah_____ a - long the way

34 ah_____ ah_____ a-long the way

not fol-low me, until we see each o-ther once more on the path a - long the way.
